

HOST A SCREENING

Help us inspire and create a healthier future...for all

Thank you for helping us spread our mission by hosting a screening! It is because of support and action by people like you, that we have optimism for the future health of our planet.

STEP-BY-STEP GUIDE TO PLAN YOUR SCREENING

STEP 1

Buy the Documentary from our Vimeo Page. This only costs \$7.50/£5 to download & it's High Definition Quality.
www.vimeo.com/ondemand/eXXpedition

STEP 2

Find a venue that will allow you to use the space for free, or charge less because it is for a charitable event. Also let them know numbers and how much \$/£ they might spend!

STEP 3

Invite everyone you can think of! Friends, family, children, or whoever you want to attend. Use social media – Facebook, Twitter, Instagram, whatever works! Make sure they know **all proceeds** are going to our education package or 50/50 split between eXXpedition and your local charity of choice.

STEP 4

Host your screening, charge \$5/£5 for entry. Keep whatever you need to cover your costs and send the rest to eXXpedition via our 'Donate' button on our website:
www.exxpedition.com/donate

HOW WE CAN HELP

WE ARE HAPPY TO HELP YOU PROMOTE YOUR EVENT:

- We can include your event in our 'Upcoming Screenings' list on our website.
- We will mention it on our social media including: Facebook & Twitter.
- We will supply a base poster, which you can then add your own specific event details to and post online and hang up wherever you'd like.
- We will supply a downloadable resource pack with additional information for your use.

If you would like one of the eXXpedition crew to attend, please contact us to see who is nearby and available. We only ask that you cover travel expenses for them.

Thank you again for your support of eXXpedition and we look forward to hearing from you with more details about your screening!
